Extraordinary Olympics

For the past three years Saint Joseph London has been a proud Gold sponsor of the London Extraordinary Olympics. The event, organized by the Professional Home Health Care Agency, showcases the many talents of frail and disabled individuals of the tri-county area.

Spectators at the most recent Extraordinary Olympics were inspired by the joy and camaraderie that were evident in the athletes. More than 340 athletes competed.

The Saint Joseph London Healthy Community Department provided emergency first aid to athletes and supporters.

“The Extraordinary Olympics is about our community coming together as one, celebrating the athletes and allowing them an opportunity to turn their efforts into an exciting reward,” said Lisa Rutherford, mission leader.

“THE TRI-COUNTY AREA IS WHERE WE CALL HOME AND IT’S FILLED WITH PEOPLE WHO, HAVING BEEN BLESSED BY GOD’S GRACE, GENEROUSLY PASS THOSE BLESSINGS ONTO OTHERS.”

Bite Size Learning

In our busy world people want to make the most of their time. With that in mind, Saint Joseph London launched “Bite Size Learning” in 2014. The monthly program features a Saint Joseph London physician or staff member who hosts a special lunch-and-learn style presentation on various health topics. These educational offerings increase public awareness on signs and symptoms of disease, treatment options and dietary options, and give participants an opportunity to ask questions of a medical professional.

Sessions are held at the Laurel County Public Library and are always well attended. Saint Joseph London provides free box lunches for those registered in advance. This year’s topics have included sleep wellness, stroke awareness, Alzheimer’s disease, lupus and autoimmune disorders, fibromyalgia, peripheral artery disease, and back and spine health.

EDUCATIONAL OFFERINGS OF THIS TYPE ARE
ONE MORE EXAMPLE OF SAINT JOSEPH LONDON’S
COMMITMENT TO OUR PURPOSE:

To Bring Wellness, Healing and Hope to All.
